Why are you Sia on Ken's R&E DNR list, and Mondo is back posting as himself? Is Ken's judgement really that poor?

I ASKED for Ken C to put my DNR with jb on the official list again. I also asked that my DNR with mongo be added. Ken told me that mongo has another ENTIRE YEAR of banishment, so he didn't see any need to even mention mongo in the DNR list until his return, assuming he is ever allowed to return.

I assumed that Greenman ASKED for the DNRs he now has. ANYONE can ask for a DNR and Ken will approve it if you show good reason for it, such as repeated harassment by someone.

I asked for the one against Bauer, after he started trolling my posts there as he had been on Woodbine's board. I wasn't going to inflict those long, pointless flame threads on Ken and R & E, so I thought it was better that way. Asking asked for the DNR against me, which I assumed was just typical Mongo cowardice, using DNRs strategeically against his critics. Although of course I did have that nasty exchange with him that got me banned for awhile, I also apologized for it. But no big deal.

But then, Posted by Asking on January 24, 2020, 7:36 am, in reply to "Yes, Merlin exposes his true allegiance. Not towards supporting" there are some cowards that "talk" behind the back.

Let's face it there is always whining about jb, You, Deanna, me, SES, yome, sometimes Ken and Mondo behind blue doors.

I wondered if anyone captured that one before Ken (apparently) took it down. Pretty obvious, despite his reference to 'Mondo,' who it is.

Mongo still has a year to go with his banishment. I believe that he got the year and a half ban for impersonation, not just his attacks. There is NO guarantee that Ken C will ever allow him back.

As Pikes noted, Mongo's been posting under his own name...I assumed he'd been allowed back on, since I didn't remember what Ken had said about a time-frame for his

banning. He's got a post up there this morning attacking Amadeus...

Eventually Ken will learn what we learned. You can't keep him out. He rotates identities, and has so many he's impossible to manage.. He is from a southern, prejudiced family with old money to burn, and this is what he does. The words he uses about those he dislikes appear projection. He is insanely jealous of other people. He isn't just a troll. He is a real, bonafide criminal who stops at nothing in effort to ruin someone.

I guess Ken removed it already before I logged on.

Ken was clear that mongo IS banned for another year and there's no guarantee that he'll ever be

welcomed back.

You should have my Hasselback potatoes. Each a large russet spud, thin sliced about 3/4 way through for the whole length, rubbed and brushed in salted olive oil, herbs de provence, garlic, butter, baked at 425F for four 20 minute sessions, at the end of each a new brushing. The skin rings emerge crispy while the inside is tender and melts in your mouth with rich

flavor. Superficially they resemble white fir cones.
